### IF YOU COULD HAVE ANY JOB IN THE WORLD, WHAT WOULD YOU DO?

I feel super blessed that I currently have my dream job and I hope that my patients get that vibe from me. I truly love being a cosmetic plastic surgeon. However, in my next life, I hope to try my hand at being a rancher. We'll see.

### IF YOU HAD A MILLION DOLLARS TO DONATE TO CHARITY, WHICH CHARITY WOULD YOU GIVE IT TO?

I would pick a charity that works to keep wild places wild. Our nation's vast public land is a major factor that makes this country so incredible. I love getting up into the backcountry, whether I am camping with my family, rock climbing, fly fishing or hunting. Currently, the donation would go to Rocky Mountain Elk Foundation.

### IF YOU COULD SPEND A DAY WITH ANY PROFESSIONAL ATHLETE, WHO WOULD YOU CHOOSE?

Steve Rinella of the MeatEater television show and podcast. To say he is a professional athlete is kind of a stretch. But you do have to be physically fit to hike through the mountains hunting and fishing, and he gets paid for it. He is also the author of a few very enjoyable books including one wild game recipe book, which I use frequently.

### IF YOU COULD SHOP FOR FREE AT ONE STORE, WHICH ONE WOULD YOU CHOOSE AND WHY?

The store would have to be Scheels because they have all the gear to support my many outdoor hobbies. Plus, its right down the street.

### AS A CHILD, WHAT DID YOU WISH TO BECOME WHEN YOU GREW UP?

I believe my earliest recollection as a child of what I wanted to become when I grew up was Lynn Swan, receiver for the Pittsburgh Steelers. Turns out that's a real

hard goal! But then my wife tells me I really haven't grown up much in our 24 years of marriage, so maybe there's still time.
