## BEST HOME REMODELING CONTRACTOR

### WHAT ARE YOUR WORDS TO LIVE BY?

Owners Dwight Sailer and Bryan Soth founded HighCraft Builders in 1998. Over the past 22 years, they have grown their business through integrity and have remained true to this guiding principle: deliver the highest quality workmanship, and a superior level of customer service, in an industry that typically neglects both.

### WHAT ARE YOUR GREATEST ACHIEVEMENTS?

Happy clients. "At HighCraft it's all about the client. We're in the business of taking care of people, establishing trust and building relationships," says Dwight. Clients are more than just clients at HighCraft. They're like family. "We truly care," adds Bryan. "So we go above and beyond to make sure each client has the best experience possible during their build. We take care of them for a lifetime," he says, "long after their project is done."
